Under the slogan "growing together", ETL Global has held the sixth edition of its National Congress at the iconic Oceanogràfic in Valencia on 29th and 30th september.

During the event, a review of the group's growth over the last ten years in Spain was made and the new integrations that have taken place in Madrid, Barcelona, Cáceres, Burgos, Palma de Mallorca, Zaragoza, Oviedo and Albacete were welcomed.

The congress brought together more than 250 attendees, including partners and professionals from the more than 130 spanish law firms in the ETL Global group, as well as various international partners of the group from the United Kingdom, Germany, Poland and the Czech Republic.

"For us, the most important thing is people. Thanks to them, we have strengthened our leadership position in the local and global market in which we offer an exceptional service to our clients and as a result of the efforts of all our professionals and partners, we have managed to make this project a success in Spain and we have achieved it by growing together", said **Juan Bermúdez**, CEO of ETL Global.
