Eversheds Sutherland has advised UK-based Nats on the sale of its 50% stake in Ferronats to Serveo, a company owned by the Portobello fund and Ferrovia. The M&A and private equity team has been in charge of this operation.

Ferronats has been awarded the operation of up to nine different control towers in Spain, and will now be renamed Skyway.

The transaction has been led by our corporate / M&A partner in Spain, **Juan E. Díaz** assisted by **Diego Cruz-Villalón** (counsel M&A) and **David Williams** (counsel M&A).
