EY Abogados has advised the partners of Company of Linguistic Services on the sale of 100% of the company to the belgian entity WEP International. This new acquisition by WEP International responds to its growth and international expansion plan.

The EY Abogados Legal team was formed by **Susana Gómez Badiola**, **José María Eguía Moreno** and **José Luis Rivera Gonzalez de Gor**, partner, senior manager and junior, respectively in the corporate/M&A and private equity areas (pictured on the top part of the image). They participated in this transaction and advised on the negotiation of the sale and purchase agreement.

WEP International was advised by **Bosco de Gispert** and **Laura Villanova**, partner and senior lawyer at BPV Abogados (pictured on the bottom of the image).
