Category: [Archive](#)

Igor Martín joins EY Abogados as a partner to reinforce tax advice in the middle market, as well as large assets and

entrepreneurs. He will be part of the team led by Javier Seijo, partner responsible for taxation of companies in the office.

The new partner of EY Abogados has developed his professional career, mainly in Deloitte Legal, where he worked as a partner in the tax department . Prior to this experience, he has also worked in Garrigues.

Degree in Economics and Business Administration from the University of the Basque Country, he has more than 20 years of experience in tax law advice, especially for family businesses and the middle market.
