Portuguese law firm FCB has recruited Bruno Ferreira Domingues from Sousa Machado, Ferreira da Costa & Associados.

Ferreira Domingues (pictured), who specialises in employment, has joined FCB as a senior associate.

Prior to joining Sousa Machado, Ferreira da Costa & Associados, Ferreira Domingues was an associate at Vieira de Almeida and Abreu Advogados.

His areas of expertise include labour litigation, social security, and employment-related income tax.

“Bruno's integration is part of our strategy to strengthen FCB's employment practice, which, given his experience, will represent a positive added value for the entire team as well as for our clients,” said FCB partner Inês Albuquerque e Castro, who leads the firm's employment team.
