3D perspective: Corporate Compliance

Best commercial practices: A pending issue for companies with serious consequences

Online session, March 12th, 2014

In recent years, and following the Spanish criminal law reforms, companies have given considerable importance to preventing corrupt conduct in business at all levels. [Find out more](#)

Performance management:

Developing successful lawyers; What are the key elements?

Online session, March 18th, 2014

The current market requirements to be a successful lawyer demand more than just technical skills. They include personal attributes such as efficiency, adaptability and communication skills, as well as leadership, and strategic business sense. [Find out more](#)

Tax Report 2014

Taxing times

Under a rain of reforms, Iberia’s tax frameworks are an ongoing ‘work-in-progress’. Their respective governments have been on a drive to attract foreign investment and increase each country’s competitiveness. While some measures have been very welcomed, others are creating even more legal uncertainty. And 2014 looks set to be another challenging year, say lawyers. [Read more](#)

Client View

Individuals defend your interests, not law firms

The driver of decisions to outsource is based on the professional excellence of specific individuals, rather than the brand of a law firm, says Sergio Redondo. [Read more](#)
