**PLMJ advised the Ferro Corporation on the acquisition of ceramic industry business Quimicer Group.**

Quimicer Group produces enamels and colours for the ceramic industry.

The deal was valued at €27.8 million.

Headquartered in Ohio in the US, Ferro Corporation employs around 5300 people worldwide, with 2017 revenues standing at approximately \$1.4 billion.

The PLMJ team included senior associate Carolina Meireles (pictured) and lawyer Catarina Santinha.
