

FLUIDRA INSTRUCTS CUATRECASAS ON MARF NOTE ISSUE

Posted on 10/08/2017

Category: [Archive](#)

Cuatrecasas advised water treatment company Fluidra on its first issue of promissory notes with the Spanish Alternative Fixed-Income Market (MARF).

The issue has a maximum outstanding value of €50 million.

[Fluidra](#)'s activities include manufacturing accessories and machinery for swimming pools, as well as water treatment and water purification.

The [Cuatrecasas](#) team included partner Ana M. Gamazo, partner Javier Rodríguez, and associate Juan Fernando Takano.
