G. Elías y Muñoz Abogados has opened its new Madrid downtown office at 48 Orense Street

The new office, located in the heart of Madrid financial and business district, will continue to offer the same legal services as before, although, according to the firm, "in offices that have been cared for down to the last detail, with an innovative and modern design that invites everyone who needs it to feel comfortable in this important search for a professional and quality advisory and defense service."

The firm has three other offices in Madrid along with the headquarters in Orense Street. They are located in Majadahonda, las Rozas, Pozuelo de Alarcón and Collado Villalba.

The official opening ceremony is scheduled for next April on a date yet to be determined.

G. Elías y Muñoz Abogados has more than 25 years of professional experience in the legal sector.
