Cargill Inc, the United States based marketer, producer and distributor of agricultural, food, industrial and financial products has acquired an undisclosed stake in Cubiq Foods SL.

Cubiq Food SL is based in Spain and it develops and produces cultured fat from animal cells to industrial customers.

The amount for this purchase was €5.75m and the team from Gomez-Acebo & Pombo Abogados advising Cubiq Foods was formed by the Partner **David González** (pictured left) and the senior associate, **Andrés Castro** (pictured right).
