Gómez-Acebo & Pombo has advised on the acquisition and capitalisation of the financial debt and on the provision of additional liquidity.

As a result of this new investment, Davidson Kempner Capital Management now controls the majority of the Group's share capital.

Davidson Kempner is a global investment management firm with more than 39 years of experience and approximately \$38b in assets under management.

The team from GA_P advising Davidson Kempner was formed by the partners, **Miguel Lamo de Espinosa** (pictured left) and **Pablo Fernandez Cortijo** (pictured right) together with the lawyers, **Paula Zarzalejos**, **María Fanego**, **Ignacio de la Fuente**, **Luis Pinedo**, **Carolina Orri**, **Lourdes Escassi** and **Carmen Abad**.
