Gómez-Acebo & Pombo (GA\_P) has advised Acciona Energía in its joint venture with Qwello to deploy public charging points in Spain.

Acciona Energía is a firm specialised in renewable energy and Qwello is a company that operates electric vehicle charging networks in urban and regional centres in Europe.

The team from GA\_P advising Acciona Energía was formed by the partner, **Estibaliz Aranburu Uribarri** (pictured), together with the associates, **Iñigo Hernáez Pérez-Iriondo**, **Irene Carreño Álvarez** and **Mónica Ojeda Soler**.
