Garrigues acted for Spanish aerospace company Mave Aeronautica on its acquisition by Trigo.

[Trigo](#), which provides services for the aerospace, automotive and railway industries, was advised by [PwC Tax & Legal](#) on the deal, according to Mergermarket.

A Trigo statement said that, following the acquisition of Mave, Trigo's annual revenue will total more than €70 million per year.

Matthieu Rambaud, CEO of Trigo, said: "We strongly believe that the integration of Mave will be to the benefit of our clients of Spain and beyond in terms of efficiency, expertise and innovation capacity."
