The Garrigues Murcia office is celebrating its 25th anniversary. A quarter of a century in which the firm has accompanied its clients in the region, offering them advice covering every angle of business law. The firm celebrated this milestone on June 23 with an event at which professionals from the firm thanked clients for their trust in Garrigues over the years. The event was also attended by the authorities, including the President of the Murcia Regional Government, Fernando López Miras

In the words of **Fernando Vives**, the executive chairman of Garrigues, "the firm has contributed to the growth, development and professionalization of the business infrastructure of Murcia. We are grateful to our clients, a multitude of companies and business owners, who have chosen our firm to assist them with projects that, due to their size or complexity, require high quality, specialized and expert advice".

In turn, **Vicente Lloret**, the partner in charge of the Garrigues Murcia office, highlighted that "our proximity to businesses in the region allows the firm to gain a first-hand understanding of their needs and deliver high value-added solutions, tailored to their sector of activity."

Garrigues has more than 70 professionals in Murcia, organized in expert teams recognized in the market as leaders and benchmark providers of business law advice in all areas: tax, corporate/commercial law, litigation, labor and employment law, public law and IP.
