Garrigues, Cuatrecasas Gonçalves Pereira, Uría Menéndez and Abreu Advogados are the “most attractive” legal sector employers among students in Iberia, according to new research.

Surveys of students conducted by consultancy Universum found that Garrigues was the “most attractive” legal sector employer in Spain, with Cuatrecasas in second place and Uría in third.

The survey also found that Abreu Advogados was the most attractive legal sector employer in Portugal.

Around 25,000 students in Spain and Portugal participated in the research, which was conducted during the period September 2014 to March 2015.
