Gouveia Pereira, Costa Freitas & Associados has promoted eight lawyers to principal associate, a new professional category launched at the firm

Gouveia Pereira, Costa Freitas & Associados "GPA", has promoted the following lawyers to the new category of principal associate. They are (pictured from top left to bottom right), Ana Calmeiro, from the Insurance Department, Bruna Faria Bilro, from the Public Law Department, João Reboredo, from the Insurance Department, Lúcia Braga, from the Banking Department, Maria Oliveira Braga, from the Media and Technology Department, Sónia Rocha, from the Banking Department, Victor Finizola, from the Corporate Department and Virgílio Magalhães, from the Labour Department.

The firm's internal promotion structure is now as follows: trainee, associate, principal associate, coordinating associate, of counsel and partner.

Sofia Gouveia Pereira, managing partner, has congratulated all the lawyers and expresses her appreciation for the work done by them, stressing that: "These promotions are the recognition of the merit and solidity of their professional path, always aligned with the mission of GPA - teaming with our clients and building trust."
