Greening Group has appointed **Jaime del Gallego Vida** (pictured) as its new general counsel in Granada.

Founded in 2011, Greening Group is a diversified business group, whose objectives are innovation and international development in all its business areas: renewable energies, engineering, concessions, services and industrial.

The firm operates on three continents: Europe, America and Africa and the group's companies have their own offices in Granada, Madrid, Barcelona, Italy, Rabat and Mexico City.

Jaime del Gallego Vida is a lawyer graduated from the University of Granada and has spent part of his professional career as general counsel in the company I+D Energías.
