MLGTS advised Portuguese international footballer Gonçalo Guedes on his €30 million transfer from Benfica to Paris Saint-Germain.

The forward has signed a contract that will keep him at the French club until 30 June, 2021.

Guedes joined Benfica in 2005 – he won two league titles with the Lisbon side in the last two seasons.

In September 2015, he became the youngest Portuguese player to score in the UEFA Champions League group stage, when, aged just 18, he hit the target against Atlético Madrid.

Paris Saint-Germain CEO and chairman Nasser Al-Khelaifi said: "Gonçalo will reinforce the link we have had for a long time with our numerous Portuguese fans in the Paris region, and I'm sure all our

supporters will appreciate his technical qualities and his attitude."
