Uría Menéndez advised Helia Renovables on its acquisition of wind power company Parc Eòlic Mudéfer.

Parc Eòlic Mudéfer operates the 57.6-megawatt Mudefer II wind farm in the Spanish province of Tarragona.

Helia Renovables is a fund managed by Madrid-based Plenium Partners Asset Management.

The Uría Menéndez team included partner Manuel Echenique Sanjurjo (pictured), associate Cristina Gracia Colldeforns and junior associate María Vilar Navarro.
