Hogan Lovells has advised Grover, a technology rental company, on a €270m financing facility granted by M&G.

By this deal, Grover, founded in 2015, will expand its product inventory to meet growing customer demand in existing markets such as Germany, Spain, the Netherlands and Austria, as well as new European markets.

The team from Hogan Lovells advising Grove was formed by the partner, **José Luis Vázquez** (pictured), the senior associate, **Carlos Mejjide**, the associate, **Laura Wouters** and the junior associate, **Rodrigo Urosa** (junior associate), from banking & finance.
