The Corporate M&A team, led by **José María Balañá** and **Eduardo Pérez**, in collaboration with the IPMT, Tax, Employment and Regulatory teams, have advised Grupo Alltech, through its company Improcrop Limited, on the acquisition of 100% of Ideagro (Research and Development of Agrifood Trials, S.L.). Ideagro is a Spanish company dedicated to the analysis and testing of food products, agricultural inputs and development of microorganisms.

Alberto Bocchieri, from the Corporate team, participated in the operation. **Gonzalo Gállego** and **Inmaculada Lorenzo** have led the advice of IPMT; **Javier Gazulla**, tax advice; **Jesús García**, labour advice and **Fernando Calancha**, regulatory advice.
