

IBERIAN LAWYER IP&TMT AWARDS 2021 – SPAIN

Posted on 15/01/2021

Category: [Awards](#)

{tab Presentation}

The Iberian Lawyer IP & TMT Awards aim to highlight the excellence of the legal market in the field of intellectual property protection, telecommunications and media. In an increasingly competitive market, intellectual property, also understood as the product of investments in research and development, both by institutions and by companies, is nowadays a competitive and systemic factor with a strong impact on the growth of a company and of the industrial system of which it is part.

The creation of trademarks and patents, their affirmation through the construction of reputation policies and their protection are therefore strategic assets of advanced societies and as such must be protected. Another increasingly important area of communication and information is the whole world of media, internet and telecommunications (TMT).

The winners will be recognize on **7th October 2021** during the gala ceremony.

b. SECOND PHASE: LIST OF THE FINALISTS: Iberian Legal Group will draw up a list of finalists based on the qualitative and quantitative research carried out from the moment the submissions are received to the time the finalists list is published. The list will be announced and published by Monday 07th June ,2021.

c. THIRD PHASE: Iberian Legal Group will present the ranking list of the Finalists during the Jury

meeting and will propose to the Jury the name of one Law Firm and one individual Professional as candidates for each category, motivating his/her vote.

The Jury, having received the lists of the finalists (a.k.a. "Law firms" and "Individual Lawyers and / or Professionals") for each of the categories identified and after having listened to the vote pitch and the motivation from Iberian Legal Group, through their own vote (one vote per capita), will decide the winners to whom the recognition will be awarded. The Jury will be composed of:

- recognized experts from the corporate world in the sector;
- representative of Iberian Lawyer, appointed by Iberian Legal Group (even in the case of more than one representative, Iberian Legal Group will have the right to only one vote);
- any representatives of industry associations.

The Jury will be chaired by the representative of Iberian Legal Group.

The criteria taken into consideration by the Jury for the assignment of awards to the best "Law Firm" Finalists will be as follows:

1. transactions carried out (value and number) in the Reference Period of the Activities;
2. significant growth factors during the Activity Reference Period (eg promotions, hiring or leaving of new professionals, mergers or acquisitions with other international firms or networks, national or international expansion);
3. positioning and image

The criteria taken into consideration by the Jury for awarding the awards to the best "Single Lawyers and Professionals" Finalists will be as follows:

1. technical, legal and negotiating skills;
2. knowledge of business dynamics related to the product sector (industry);
3. commitment and ability to relate to the customer;
4. professional reputation among colleagues.

ART. 3 – COMMUNICATION OF THE BEST FINALISTS AND AWARD CEREMONY: the communication of the names of the top finalists (a.k.a. "Law Firms" and "Individual Lawyers and Professionals") for each of the categories identified, will be communicated during the Gala Evening. Iberian Legal Group reserves the right to promptly communicate to the Participants/Finalists further details regarding the modalities of participation and conduct of the Gala Evening.

ART. 4 – FORMALIZATION AND RETREIVING OF AWARDS: the awarding of recognition to the top Finalists (a.k.a. Law Firms or Individual Lawyers and Professionals) for each of the categories identified will be formalized by the Jury, through a representative identified by Iberian Legal Group, during the evening. The recognition will have no economic value, as it is a purely symbolic public recognition.

The formalization of the recognition will take place only towards the relative top Finalist (a.k.a. Law Firms or Individual Lawyers and Professionals), for each category of reference, who must personally participate in the Evening and collect the recognition assigned to him/her. Failure to retrieve the recognition award during the evening by an institutional representative of the winners in any category will be irrevocably understood as a waiver of the same, which, in this case, will be automatically assigned to the next top Finalist of the corresponding category, classified immediately after the renouncing winner, and/or in any case will be irrevocably assigned by Iberian Legal Group in an indisputable way.

Iberian Legal Group authorizes the winners to utilize the image benefits resulting from obtaining the "Iberian Lawyer awards".
