{tab Presentation}

The Iberian Lawyer IP & TMT Awards aim to highlight the excellence of the legal market in the field of intellectual property protection, telecommunications and media. In an increasingly competitive market, intellectual property, also understood as the product of investments in research and development, both by institutions and by companies, is nowadays a competitive and systemic factor with a strong impact on the growth of a company and of the industrial system of which it is part.

The creation of trademarks and patents, their affirmation through the construction of reputation policies and their protection are therefore strategic assets of advanced societies and as such must be protected. Another increasingly important area of communication and information is the whole world of media, internet and telecommunications (TMT).

The winners will be recognize on **May 12th, 2022** during the gala ceremony.

b. SECOND PHASE: LIST OF THE FINALISTS: Iberian Legal Group will draw up a list of finalists based on the qualitative and quantitative research carried out from the moment the submissions are received to the time the finalists list is published. The list will be announced and published by April 13th, 2022.

c. THIRD PHASE: Iberian Legal Group will present the ranking list of the Finalists during the Jury meeting and will propose to the Jury the name of one Law Firm and one individual Professional as candidates for each category, motivating his/her vote.

The Jury, having received the lists of the finalists (a.k.a. "Law firms" and "Individual Lawyers and / or Professionals") for each of the categories identified and after having listened to the vote pitch and the motivation from Iberian Legal Group, through their own vote (one vote per capita), will decide the winners to whom the recognition will be awarded. The Jury will be composed of:

- recognized experts from the corporate world in the sector;
- representative of Iberian Lawyer, appointed by Iberian Legal Group (even in the case of more than one representative, Iberian Legal Group will have the right to only one vote);

ART. 4 – FORMALIZATION AND RETREIVING OF AWARDS: the awarding of recognition to the top

Finalists (a.k.a. Law Firms or Individual Lawyers and Professionals) for each of the categories identified will be formalized by the Jury, through a representative identified by Iberian Legal Group, during the evening. The recognition will have no economic value, as it is a purely symbolic public recognition.

The formalization of the recognition will take place only towards the relative top Finalist (a.k.a. Law Firms or Individual Lawyers and Professionals), for each category of reference, who must personally participate in the Evening and collect the recognition assigned to him/her. Failure to retrieve the recognition award during the evening by an institutional representative of the winners in any category will be irrevocably understood as a waiver of the same, which, in this case, will be automatically assigned to the next top Finalist of the corresponding category, classified immediately after the renouncing winner, and/or in any case will be irrevocably assigned by Iberian Legal Group in an indisputable way.

Iberian Legal Group authorizes the winners to utilize the image benefits resulting from obtaining the "Iberian Lawyer awards".
