In this issue we focus on the "Great Resignation" phenomenon, and how it is affecting the legal market. From Spain we dissect the impact the ongoing Russia-Ukraine War is having on the energy sector. Our law firm interview comes courtesy of Ceca Megán. From Portugal we hear from the leading experts of the Crypto world, and we discover if Portugal remains a tax haven for this asset class. We also interviewed the two co-managing partners at Eversheds Sutherland FCB, one year after their integration. Our in-house interviews come from Spain, Portugal and the UK.

Our valued collaborations by Women in a Legal World, World Compliance Association and The Coach Approach complete this issue, along with some fantastic international content from MAG and the Latin American Lawyer.

The magazine is now available in English and Spanish.
