Managing Partners from leading international firms and in house lawyers from global companies including IBM, Google and Amazon featured in this year's InspiraLaw's Top 50 Women in Spain and Portugal.

InspiraLaw identifies the top women in the legal field, as chosen by their peers, who are excelling in their careers and serving as role models. See the list of the Top 50 InspiraLaw women lawyers below.

We invite you to join us in honoring the Top 50 women chosen in 2019 at the "*InspiraLaw Celebrates*" cocktail reception and to support the ongoing work on gender diversity in the legal profession.
