King & Wood Mallesons (KWM) advised MCH Private Equity on the structuring and first closing of its new private equity fund, MCH Iberian Capital IV, which has received commitments totalling €200 million.

The fund received capital commitments from national and international investors, fund of funds, institutional investors and family offices.

The final closing, with a target of €300 million, is expected by the end of 2016.

MCH Private Equity is one of the five largest, independent private equity groups in Spain. Established in 1998, the group has participated in over 25 private equity deals in a range of sectors including industrial, services, consumer and retail.

The KWM team was led by International Funds partner Isabel Rodríguez with senior associate Ildefonso Alier.
