KPMG Abogados Valencia has advised Suanfarma on the acquisition of Monteloeder

KPMG Abogados has provided legal, tax and labour advice to Suanfarma on the acquisition of Monteloeder. The transaction, which value has not been disclosed, implies the expansion of Suanfarma as part of its growth, increasing significantly its industrial and development capacity.

During the last years Suanfarma, B2B life science partner specialised in the development,

production, and commercialisation of ingredients for the pharmaceutical, veterinary and nutraceutical industries, has achieved the highest growth in its history and has acquired new companies in Spain, Portugal, Colombia and Italy, increasing significantly its industrial and development capacity.
