King & Wood Mallesons (**KWM**) has advised Omega Gestión on the launch of its new fund Tandem Private Equity II, FCR. This new investment vehicle has a target size of €100 million and its strategy is aimed at investments in other private equity funds, mainly European and American.

The KWM team was led by **Isabel Rodríguez**, partner and head of the Investment Funds team, with the collaboration of the associates **María de Orueta** and **Adriana Ordoño**.

Omega Gestión is the alternative investment branch of Omega Capital. The company, with over 20 years of experience, has more than 1,000 million euros of assets under management.
