King & Wood Mallesons ("KWM") has advised Mutuactivos, the Mutua Madrileña Group's fund manager, on the launch of the Mutuafondo Global Ventures I fund of funds. This is its first alternative investment product, a vehicle focused on investing in innovative start-ups in the technology and life sciences sector.

The new fund has a target size of €100 million, of which the Mutua Group has a capital of EUR 10 million.

The team from KWM advising Mutuafondo was formed by **Isabel Rodríguez** (pictured), partner and fund manager, **Pablo Tejerizo** (partner - tax), **Adriana Ordoño** (associate - funds) and **Óscar Fuertes** (associate - tax).
