The Madrid office of King & Wood Mallesons (KWM) has promoted Ildefonso Alier to partner.

Alier specialises in the structuring of national and international investment funds, including private equity, venture capital and debt funds.

He has advised a range of client including, Alantra, Portobello Capital, MCH Private Equity, Magnum Industrial Partners, Miura Private Equity, Oquendo Capital, GED Group, Altamar Private Equity, Arcano Group and Plenium Partners.

Isabel Rodríguez, partner and head of the funds team at KWM, Spain said: "Ildefonso's promotion is recognition of all his work and his commitment to King & Wood Mallesons over the last 11 years. His experience provides great value to our clients. Undoubtedly, he is a key member of the funds team".

Carlos Pazos, managing partner of KWM Madrid said: "Ildefonso's promotion to partnership is a new example of the confidence that King & Wood Mallesons has in the Madrid office and the importance of Spain for its future. Through the years we have incorporated new areas of practice and have consolidated our presence in several sectors, such as private equity, where, without doubt, we are leaders in advice to private equity funds."
