SRS Advogados advised the Laboratory Corporation of America (LabCorp) on the Portuguese law aspects of its \$1.2 billion takeover of contract research organisation Chiltern International.

LabCorp is a healthcare diagnostics company that reported net revenues of nearly \$9.5 billion in 2016. It employs 52,000 people in 60 countries.

LabCorp was also advised by Hogan Lovells and Nixon Peabody on the deal.

The SRS Advogados team advising LabCorp was led by partner Ana Menéres.
