**Uría Menéndez and Linklaters advised Abanca and Crédit Agricole Assurances on the creation of an insurance sector joint venture that will operate in Spain and Portugal.**

The insurance company and bank have created a 50-50 joint venture that will target companies with turnover of less than €2 million.

Abanca was advised by a Uría Menéndez team that included partner Guillermo San Pedro (pictured, top) and associate Jaime del Fraile.

Linklaters advised Crédit Agricole Assurances - the team included partners Victor Manchado (pictured, bottom) and Paloma Fierro (pictured, middle).
