Linklaters has advised Stoneshield Capital on the sale of XData Properties to Iron Mountain, a US data storage and back up management company.

XData owns a data centre in San Fernando de Henares, Madrid, with the capacity to grow to 130 MW of capacity.

The team from Linklaters advising Stoneshield Capital was formed by the partners, **Gabriel Cabello** (pictured left) and **Pablo Medina** (pictured right), the managing associate, **Esteban de Santos** and the junior associate, **Sofia Maldonado**.
