Marimón Abogados has advised the listed German company Wacker Neuson, a leading corporation in the field of manufacture of construction equipment, in the acquisition of Enar Group, a Spain-based manufacturer of concrete vibration equipment (Enarco S.A.) with several subsidiaries in North and South America, Europe and China.

After the deal was signed last March by and between Wacker Neuson SE and the two majority shareholders of Enarco S.A., on June, 1<sup>st</sup> the transaction was closed by means of Wacker Neuson SE's acquisition of 100 per cent of the shares of the Enar Group's parent company Enarco, S.A., until then held by the two main shareholders and a vast array of minority shareholders.

Marimón Abogados advised Wacker Neuson Group, with a team lead by Corporate and M&A Partner **Philipp Kirchheim** and Corporate and M&A senior lawyer **Nicolás Toribio** with significant involvement of its Competition practice under the lead of Partner **Diego Crespo**.

The team from Pérez-Llorca advising Enar Group was formed by the Partners: **Dídac Severino**, **Norma Peña** and **Jaime de Blas**; the Corporate Lawyers, **Ángel Martín** and **Alberto Varela-Grandal**; and the Tax Lawyer, **Yi Zhou**.
