Martínez-Echevarría Abogados has advised Ingersoll Rand on the acquisition of the Spanish company, Pedro Gil Construcciones Mecánicas.

Ingersoll Rand provides innovative products and services for industry, energy, medicine and special vehicles through more than 40 brands.

The team from Martínez-Echevarría Abogados advising Ingersoll Rand was formed by a multidisciplinary team led by the corporate and M&A partner, **Óscar Murillo Sanz** (pictured right), and the litigation partner, **Fernando Marín Riaño** (pictured left).
