**International law firm Milbank has advised The Cranemere Group, a London-headquartered**

**holding company, on their acquisition of Spain-based company Acquabella, including the bank financing to finance the purchase**

Acquabella offers engineered stone bathroom products and will continue to operate independently under Cranemere's Engineered Stone Group, alongside Marmite, establishing a leading European supplier of engineered stone products.

The Milbank team was led by European partner Tim Peterson (pictured left), corporate counsel Merih Altay (pictured right) and associates Anna Bryant, Andrew Bechtel and Danielle Brown.
