The second edition of the Escuela de Liderazgo y Buen Gobierno (School of Leadership and Good Governance) began last Friday, September 16th for the 2022-2023 academic year. Mutualidad de la Abogacía, in collaboration with Schiller International University and the Institute of Corporate Governance, launched this project last year, addressed to members of Boards of Directors and managers of bar associations.

On Friday, it started the training programme for members of the Boards. The management development programme for managers will start on 7 October. Both programmes will be attended by a maximum of 25 participants.

The panel of professionals in charge of the training is made up of different top level and multidisciplinary experts who will collaborate with the protagonists of CeoForum to provide a learning experience and a quick and direct application of the knowledge to the participants.
