MVA Asociados has promoted Gonzalo Rubio Hernández Sampelayo to partner, reinforcing its Public and Regulatory Law area

According to his firm, he has been distinguished by his technical excellence and in-depth knowledge of clients' needs during his career.

Gonzalo Rubio (pictured) is a specialist in Administrative Law and regulated sectors and advises public and private sector entities on areas subject to administrative or sectoral regulation, and has extensive experience in the field of Administrative Litigation. He is also the author of various doctrinal studies and a regular speaker at talks and conferences on his speciality subjects.
