Lisbon report

A resilient profession

The constant threat of default of its Troika obligations and the potential of a second bailout are affecting Portugal's business and legal markets, both nationally and internationally. The country has been in a vicious circle of political and economic instability, the effects of which have been difficult to stop – and the legal market has not been immune. But in amongst all this, the legal profession has stood strong, adapted and survived.

Client View

A promising diagnosis

Healthcare is a 'must have' rather than a 'nice to have', says Isaac Millán, and in the face of the crisis, the sector is alive with opportunities
