## **Ontier has announced the opening of an office in Chile following the incorporation of the Santiago firm Poduje & Cía Abogados.**

Poduje & Cía's 11-strong team includes partners Manuel Díaz de Valdés Olavarrieta, María de la Luz Herrera, Ignacio Poduje, Manuel José Díaz de Valdés, and José Miguel Ferrada.

An Ontier statement said: "There are many reasons that led us to open a new office in Chile. Among others, Chile is one of the more stable economies in Latin America and it has one of the most developed legal markets.

"This makes Chile a good destination for foreign investment."

Following the announcement of the opening of the Chile office, Ontier now has a presence in 13 countries.
