Category: [Archive](#)

Pérez-Llorca acted for Proact IT Iberia on its sale to technology service company Cibernos Servicios.

Proact IT Iberia is a data centre and cloud services provider.

Cibernos is a consulting and IT services company 100 per cent backed by Spanish capital. It has a workforce close of around 1,000 employees and operations in Spain and Latin America.

The Pérez-Llorca team was led by **Jordi Farrés** (pictured).
