Pérez-Llorca acted for ADM Capital Europe on the acquisition of a controlling majority stake in extra virgin olive oil producer Olivos Naturales, better known as Innoliva.

Innoliva was advised by Uría Menéndez.

The deal was worth €130 million, according to Mergermarket.

ADM Capital Europe made the acquisition via its Cibus Fund.

Innoliva's 5,000 hectares of olive groves in Spain and Portugal produce up to 9,000 tonnes of extra virgin olive oil annually.
