Pinsent Masons has advised Enagás and Enagás Transporte on the split of Enagás Transporte's business consisting in the ownership, management, operation and exploitation of the LNG terminal of El Musel.

The law firm also advises on the acquisition by Enagás Transporte of 100% of the natural gas transmission pipelines owned by Regasificadora del Noroeste and the transfer by Enagás Transporte of a 25% stake in NewCo to Reganosa Holdco.

The Pinsent Masons team was led by **Alfonso Bayona** (pictured above left) with support from **Juan de Navasqués** (pictured above right), **Pablo Galera** (pictured below left) and **Marta Vila-Coro** (pictured below right).
