Pinsent Masons has hired **Francisco Aldavero** (pictured) as a new partner in its Madrid office. With this incorporation, the firm looks forward to strengthen the team at a national level.

Francisco Aldavero is a recognised specialist in M&A and private equity transactions in Spain. He also holds a law degree from the Universidad Autónoma de Madrid and a master's degree in legal advice from IE.

With more than 30 years of experience, Aldavero developed his professional career at EY Abogados, where he led the M&A and private equity practices since 2016. Previously, he was a partner at Araoz & Rueda for two decades and a lawyer at Gómez Acebo & Pombo.

"I am proud to join the Pinsent Masons team and look forward to this new challenge supporting the firm's clients in their growth or divestment needs, both in Spain and globally. I am particularly excited about the innovative nature of the firm and its international platform," says the new Pinsent Masons partner.
