PPCP Legal & Finance has acted as strategic legal advisor to Enerfip Group (Europe's No. 1 green energy crowdfunding platform) and leading green energy companies Dominion, Enerside and IDEnergy Group in their bond issues in the French market. Company Legal Partners team, stood out for his important contribution in assisting the IDEnergy Group during the transaction.

**José María Galilea** and **José Antonio Caicoya** (PPCP Legal & Finance) assisted on the Spanish side to structure these investment opportunities, enabling Enerfip to meet the growing demand for green energy bonds among retail investors.

A privileged collaboration between distinguished industry leaders, such as **Eduardo Calderón** and **Lou Sarie** (Enerfip Spain), **Carlos Romero Domínguez** and **Román Elejoste Basañez** (Dominion), **Miguel Sastre Martínez** and **Jordi P** (Enerside), **Antonio Sierra Lavín**, **Miguel Blasco** and **Oscar Galán Lozano** (ID Energy), was essential to deliver results.

In particular, **Carlos Ochoa Arribas**, a key member of the Company Legal Partners team, stood out for his important contribution in assisting the IDEnergy Group during the transaction.

This strategic move not only propels these companies towards substantial growth, but also contributes to a positive environmental footprint.
