## **PwC Tax and Legal Services advised Kutxabank on the flotation of telecommunications operator Euskaltel.**

A team of lawyers in PwC's offices in Madrid and Bilbao advised Kutxabank on the flotation. The team was led by partners Gemma Moral and Antonio Padro.

The work was coordinated by Javier Mateos, PwC's director of group transactions.

Euskaltel is a telecommunications operator in the Basque Country that offers broadband internet, digital TV, mobile phones and landlines. It currently has a network of 347,000 kilometers of optical fiber.

Cuatrecasas, Gonçalves Pereira advised the flotation's global coordinators, J.P. Morgan and UBS.
