Ramón y Cajal Abogados advised lenders on the refinancing of the bank debt of the mining company DAYTAL Resources Spain

DAYTAL Resources Spain is the owner of the wolfram mining operation located in Los Santos, Salamanca, a subsidiary of the Canadian listed company Almonty Industries Inc.

Ramón y Cajal Abogados' team was led by Financial Law partner Amado Gimenez Bono (pictured left) who counted on the support of associate Diego Gabarain Beristain (pictured right) and junior associate Saúl Dávila Ávila.
