Ramón y Cajal Abogados has advised Forestalia on the financing of the construction of the 24 MW "El Coto" wind farm, located in Zaragoza, for €24m.

The transaction has been structured through a purchase agreement (PPA) signed with LM Wind Power, for a period of 12 years.

The team from Ramón y Cajal advising Forestalia was formed by the partner, **Javier Menchén Calvo** (pictured) together with the lawyers, **Saúl Dávila Ávila** and **María Heredero Vidal**.
