Ramón y Cajal advised Liberbank on its prospectus for a €3 billion bond issue.

The prospectus for the 2015 note programme was recorded by the Comisión Nacional del Mercado de Valores (CNMV) – the body responsible for supervising the Spanish stock markets – on 11 November 2015.

The Ramón y Cajal team advising on the transaction was capital markets partner Andrés Mas.

Liberbank became the eighth listed Spanish bank when it was listed on the stock exchange in May 2013.
