to sign for Manchester United

Manchester United reached an agreement with Real Madrid to sign France World Cup winner Raphaël Varane and has announced the signing, keeping him at the club until June 2025.

Varane, 28, is one of the most decorated players in world football and has amassed over 19 trophies in his career so far, including four Champions Leagues, three Spanish titles and the 2018 World Cup. He has represented France 79 times and was part of the recent French squad at the 2020 European Championship.

Raphaël Varane said: "Manchester United is one of the most iconic clubs in world football and the chance to come here and play in the Premier League is something I couldn't turn down."

The French World Cup winner will join the Reds following his move from Real Madrid and adds to manager Ole Gunnar Solskjaer defensive options heading into the season.

Juan de Dios Crespo (pictured), partner and head of Sports at Ruiz-Huerta & Crespo, represented the French defender and helped with the signing.
